2006 Malbec

Mannstand Vineyards

Mannstand Vineyards are located at the base of the Diablo Range on the east side of the Santa Clara Valley. Afternoon breezes emanating from Monterey Bay moderate the valley temperatures and extend the growing season to one ideal for maturing classic red wines. An expansive trellis system (Geneva Double Curtain) and extensive leaf pulling ensure that each bunch is bathed in sunlight. All vineyard operations are done by family and staff.

The best fertilizer for the vineyard is the footsteps of the vineyardist. - Old Italian Proverb
